## City of Hampton Minority/Women Business Directory

*The Honorable Turner M. Spencer  
City Council Liaison  
Purchasing and Procurement Oversight Committee*

*Margo L. Young-Wiggins, Chairman  
Purchasing and Procurement Oversight Committee*

On behalf of the Purchasing and Procurement Oversight Committee (PPOC), we are proud to support this 6<sup>th</sup> edition of the City of Hampton's Minority/Women Business Directory. The PPOC has been charged with the responsibilities of (a) reviewing purchasing and contractual procedures and practices of all agencies and departments of the City; (b) recommending improvements that would result in cost effectiveness, simplicity, greater fairness and broader representation of the community; and (c) monitoring results. We are committed to the growth of Hampton's minority and women-owned businesses and believe the support of these companies helps to alleviate disparities in the business sector. This directory is one of the many ways we will continue to keep the doors of opportunity open to all.

## ***The City of Hampton...***

Offers a variety of business programs and resources designed to positively impact small, minority and women-owned businesses such as the:

- Hampton University Incubator
- Hampton Roads Technology Incubator
- Small Business Development Center & Seminars

The utilization of Minority/Women Business Enterprises (M/WBEs) is essential to preserving the City of Hampton's decentralized procurement system as a progressive and competitive free enterprise environment. The City's 2004-2005 M/WB Directory is provided as a resource guide to facilitate the use of Hampton-based businesses. In addition, the city's Purchasing and Procurement Oversight Committee monitors the City of Hampton's compliance with the Virginia Procurement Act, Title 11, Chapter 7, Section 11-48 of the Code of Virginia which states: "All public bodies shall establish programs consistent with all provisions of this chapter to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions..." The City of Hampton fully complies with this act.

The Minority Women Business Directory (M/WBD) is available on the City's website at:

<http://www.hampton.gov/bids-contracts/>

Copies are also available in the Department of Finance. For additional information on business programs and resources for small, minority and women-owned businesses, please contact the City of Hampton, Department of Economic Development at (757) 727-6237 or visit [www.hamptonva.biz](http://www.hamptonva.biz).
